FOLVS

WINTER 2023

NEWSLETTER

MESSAGE FROM CHAIR

Since I took over in March it has been a whirlwind of events. In addition to our usual events, such as Discos and Mothers and Fathers Day sales, we also saw the return of our Summer and Christmas Fayres which were not only incredible successes for us as a team but brilliant days out for our school and community. We also saw the return of family bingo night and our first-ever star-gazing evening which was very exciting despite the cloud not being on our side! Never fear, we plan to hold another one in March and hope the cloud stays away this time!

As you can see from our totals to the right, since March we have raised a huge **£11,234.09** for school. School and FOLVS are currently in discussion to think of ways that this money could be best utilised to benefit our children and further details will be announced when a plan is in place.

In the meantime, we want to thank all of you families for your continued support, and the committee members that make these events happen!
