

PE & Sport Premium Funding Statement for 2022-2023

We received £19407 from the Government in the financial year 2022 -2023 to enhance physical education and sport in school. PE & Sport Premium funding is for children from Year 1 – Year 6, however, at Langford, we feel it is important to share the benefit throughout the primary setting, including Nursery and Reception.

We plan the use of this money to further extend provision within the PE curriculum to ensure that all children:

- Develop competence to excel in a broad range of physical activities including a range of after school clubs;
- Are physically active for sustained periods of time;
- Engage in competitive sports and activities;
- Lead healthy, active lives.

We use this money in a variety of ways. Staff play an intrinsic part in raising the profile of sports and healthy living. We have embedded some of the provision outlined below into our budget planning with the aim of sustainability in future years.

Objective	Action	Funding	Impact	Sustainability
To provide a variety of lunch time and afternoon curriculum PE and sports options	Employ a sports coach for four hours a week to provide a variety of sports activities.	£5800	Children benefit from a more varied experience; access to a broad range of sports and games; increased physical activity in the school day; increased adult support and encouragement (organising games, refereeing, etc.); extra support for children who find it hard to regulate their behaviour in unstructured time.	Ongoing
To support the Foundation Stage Unit in their active learning	Financial support so that each child has access to quality outdoor learning (PE apprenticeship/teaching support)	£4000	Reception year children enjoy active time outdoors, experience risk taking, develop team building and social skills, problem solve and develop cross curricular links.	Ongoing
Transport to events and swimming	Financial support to enable pupils of all ages to attend regular competitions and events.	£3700	To offer external opportunities for children to engage with something exciting and new.	Ongoing
To encourage active learning outdoors using the local Environment (equipment, grounds, maintenance of	Swimming, orienteering, sports activities, clubs and forest school.	£3500	Children enjoy active time outdoors, experience risk taking, develop team building and social skills, problem solve and develop	Ongoing

equipment, pool hire)				
To enhance sporting opportunities outside school for all age groups	Membership to NOSSP	£2,500	Children to experience a range of sports in a secondary school setting and compete in a friendly manner against other schools.	Ongoing
To make all sports provision inclusive	To ensure all school sports activities are adapted to be fully inclusive through careful planning	No cost	All children have a wide experience of physical activities.	Ensure all staff are fully aware of inclusive practice and equal opportunities are at the heart of everything
To promote girls' involvement in football	To set up a girls' football practices	No cost	Girls' football has a high profile and girls are involved in competitive sport with high levels of enthusiasm.	To encourage staff to lead girls' football so this becomes embedded in school culture
To encourage safe cycling	To run the Oxfordshire Cycle Safety Scheme for Year 6 children	No cost	Children know about safe cycling by the end of primary school.	Ongoing but dependent on parent volunteers
To extend the number of after school sports clubs	To continue to offer a range of sports after school clubs	No cost	Children get the chance to try out new sports after school.	Ongoing
